

THURSDAY, OCT. 5, 2023

It's that time of year again to be thinking about Girls Day Out coming October 5, 2023. You can plan a timeframe anytime in the day to offer creative specials, discounts, giveaways, demos, refreshments or a combination of attractions. The participating ladies can have several hours to pamper themselves! It's a time when ladies can gather their friends, make a day of shopping, eating, experiencing our charming community and building some beautiful memories.

This is a day when ladies really get to **NOURISH THEIR SOULS!**

As a business, you may not want to utilize the entire day for Girls Day Out, as every business is different. Each of your businesses is able to customize the day and hours to fit your needs. The event is a passport program where each lady will need to visit 10 participating businesses to receive a stamp to be eligible for the drawing on the following day. The drawing will be a live event on our Chamber FB page, as it has been successful the past couple years.

Cost to participate is **\$65** for Chamber members and **\$140 for non-members.**

When you fill out the form below, please be sure to include the hours that you are participating. The hours will be printed in the Girls Day Out brochure, which will be handed out in advance and on event day.

In addition, we are asking that each business donate a gift card with a \$25 minimum value, or a gift item of that value or more to be used in the drawing. Women who get 10 or more stamps on their passport brochures will be eligible for the live drawing on Friday.

To participate, please complete the information below and return it to the Chamber office along with your check/cash and gift certificate **BY FRIDAY, AUGUST 25. THIS DEADLINE IS FIRM.** *Space is limited and is allotted on a first-come, first-served basis. Your reservation is contingent on this deadline being met.*

★ **You MUST complete the form and return it with your payment and donated gift(card)** ★
