

SPRING to St. Peter event has been reimagined from last year and will be quite similar to Girls Day Out with a passport brochure.

The theme of this shopping and dining promotion is **SPRING AWAKENING**. Window backdrops with splashes of pretty colors and everything spring is just one idea to entice shoppers and diners to visit your business. You can plan a timeframe anytime in the two day event (or just one day) to offer creative specials, discounts, giveaways, demos, refreshments or a combination of attractions to entice customers. There is plenty of time to plan and spread the word!

Several events and activities are being planned in our community for the same weekend as Spring to St. Peter. Hundreds of shoppers and diners will gather friends and family to make a day or two of experiencing our charming community and building some beautiful springtime memories.

The cost to participate is **\$65** and a donated gift card or item of at least a **\$25 value**.

The donated item is for the drawing on Monday, May 6. Each person who gets 6 or more stamps on their passport will be eligible for the drawing of these donated items.

To participate, please complete the information below and return it to the Chamber office along with your check/cash and \$25 gift card or item BY FRIDAY, MARCH 29. THIS DEADLINE IS FIRM. Your reservation is contingent on this deadline being met.

When you fill out the form below, please be sure to include the hours that you are participating. The hours will be printed in the Spring to St. Peter passport brochure, which will be handed out in advance and on the event days.

★ **You MUST complete the form and return it with your payment and donated gift (card)** ★

The information that is filled out below will be used in the printed brochure (may be edited to fit).

Business Name: _____

Address: _____
